FOR YOUR SAFETY

Your safety is our top priority, which is why Jay-Be products are designed and tested to meet rigorous international safety and quality standards. Please note that this sofa bed has moving parts, so be cautious of potential finger or hand entrapment during operation. This is not a toy, and young children should be supervised when using it. Always position the sofa bed on a level surface to ensure stability during use.

1

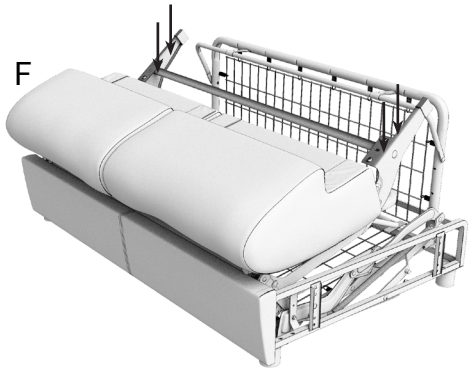

CAUTION!

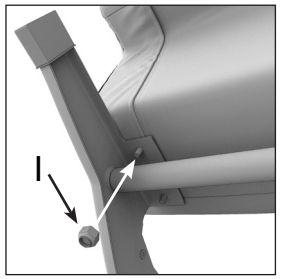

The kick board is tapered; please make sure the thicker end is positioned at the top.

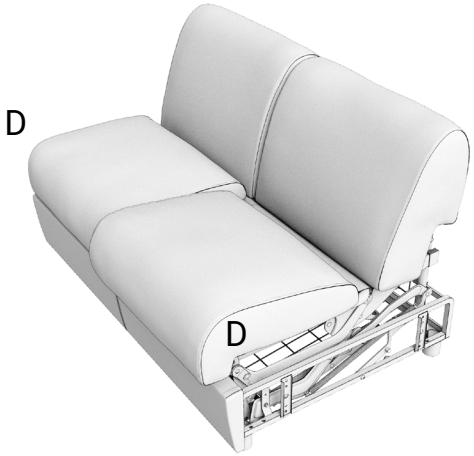

2

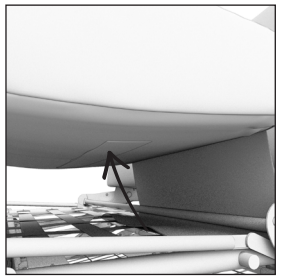

CAUTION!

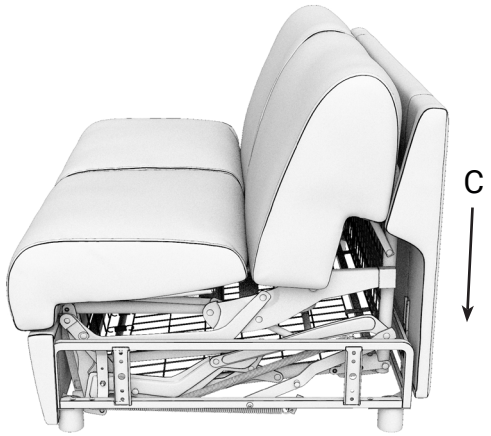

3

Wrap the fabric flap around the frame and seal with velcro.

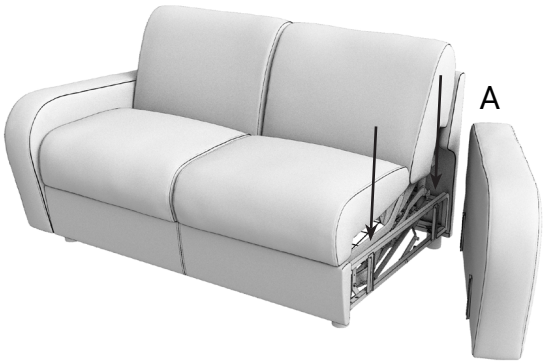

4

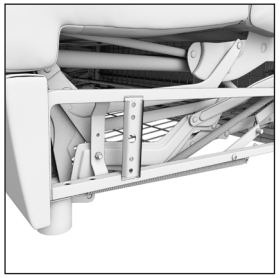

Slide the Back Panel into the corresponding slots in the sofa frame. You will feel some resistance as you push it down.

5

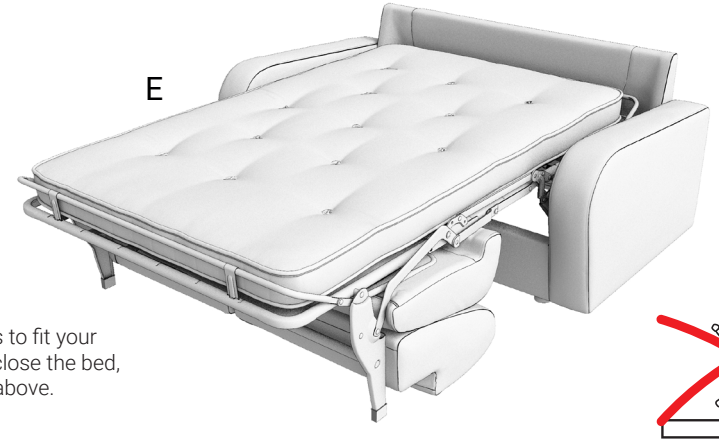

Slide the Arms into the corresponding slots in the sofa frame. You will feel some resistance as you push them down.

6

CAUTION!

All that's left is to fit your mattress! To close the bed, lift as shown above.

CAUTION!

Take care when opening and closing your sofa bed to avoid any entrapment.
