FOR YOUR SAFETY

Your safety is our top priority, which is why Jay-Be products are designed and tested to meet rigorous international safety and quality standards. Please note that this sofa bed has moving parts, so be cautious of potential finger or hand entrapment during operation. This is not a toy, and young children should be supervised when using it. Always position the sofa bed on a level surface to ensure stability during use.

DIGITAL PRODUCT PASSPORT

Through thoughtful development, the use of sustainable materials, and consideration for how the product can be repaired or recycled, we have designed this product to minimise our carbon footprint. Scan the QR code to learn more.

Using your new Sofa Bed

Please retain for future reference.

Please note:

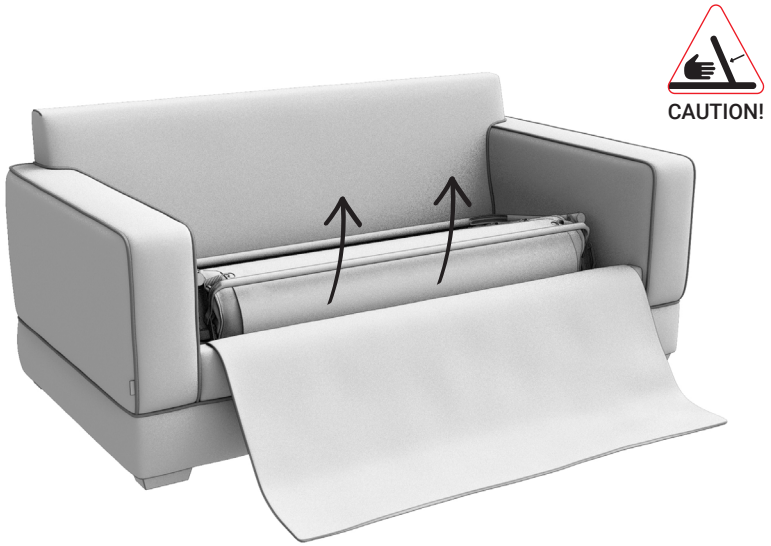

These instructions are applicable to all Jay-Be three-fold Action sofa bed models.

Image is for reference only. Your sofa design may vary but will be assembled in the same manner. For assistance, please contact our customer care team.

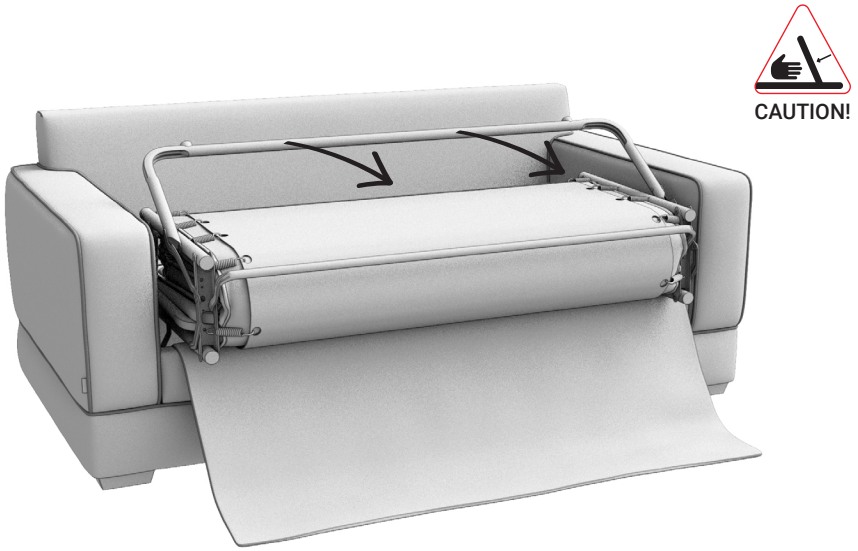

Jay-Be® 2024

IL A50122

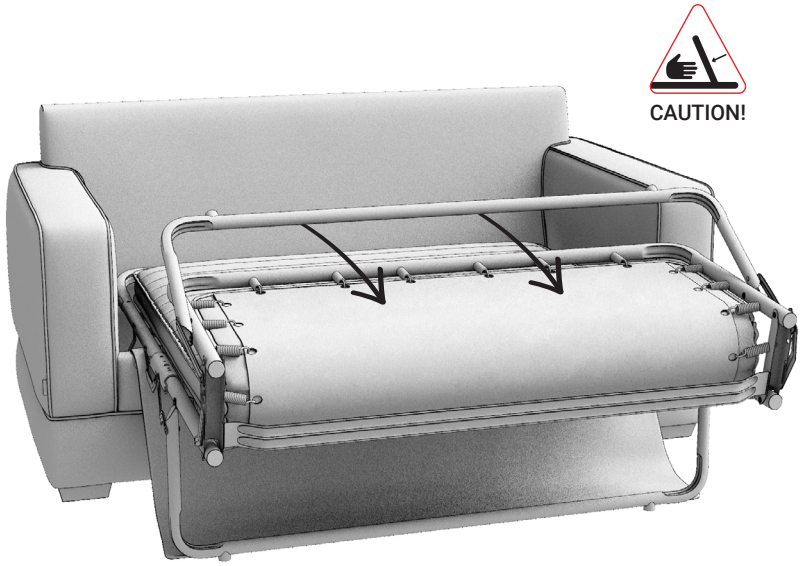

1 Remove seat and back cushions, lift action with front bar

2 Lift the leg outwards

3 Roll out the bed

4 To close, reverse these steps

Take care when opening and closing your sofa bed to avoid any entrapment.
